SHOW RING CODE OF ETHICS

Believing it is in the best interest of breeders of all livestock to maintain a reputation of integrity and to continue to present a wholesome and progressive image in the show ring, the management of the LeFlore County Junior Livestock Show lists herewith those practices which are considered unacceptable in presenting livestock in the show ring. The use of such practices or procedures is, therefore, considered unethical in the showing of livestock at the LeFlore County Junior Livestock Show.

1. Misrepresenting the age of the animal for the class in which it is shown.
2. Treating or massaging of any part of the body internally or externally with an irritant, counter-irritant, or other substance to temporarily straighten a weak back or loin; or to produce unnatural animation.
3. Minimizing the effects of cramps by feeding or injecting drugs, depressants or applying packs or using any artificial contrivance or therapeutic treatment exempting normal exercise.
4. Striking the animal to cause swelling in a depressed area and/or drenching of any type.
5. Surgery of any kind performed to change the natural contour or appearance of the animal's body, hide or hair. Not included is the removal of teats or horns, clipping and dressing of hair and trimming hooves.
6. Insertion of foreign material under the skin.
7. Any attempt to change natural color of an animal, either purebred or crossbred, by changing color or adding false hair, fleece or skin at any point, spot or area of the animal's body.
8. **No glue or adhesive is to be used on any species of animal.**
9. The use of alcoholic beverages in the feed or administered as a drench.
10. Administration of a drug of any kind or description, internally or externally prior to entering the show ring, Except for treating a recognized disease or injury. For the purpose of these rules, the term "legal drug" shall mean any substance, the sale, possession or use of which is controlled by license under federal, state or local laws or regulations and by any substance commonly used by the medical or veterinary professions. The use of any chemical and/or compounds that is not approved by the Food and Drug Administration for use in meat producing animals and the illegal use of approved chemicals and/or compounds are prohibited. All animals shall be subject to tests for foreign substances that exceed the acceptable levels established by the United States Department of Agriculture, Food and Drug Administration or the Environmental Protection Agency. A positive test will result in disqualification, forfeiture of any premiums and/or awards and will exclude the

exhibitor from future competition at the LeFlore County Junior Livestock Show. All medications will be administered by a licensed veterinarian.

*** LeFlore County Fair Board reserves the right to have a blood and urine laboratory analysis made for any animal at the Junior Livestock show.

***Any exhibitor administering a drug to an animal which would render the carcass unfit for human consumption or any exhibitor of an animal producing an analysis indicating the presence of an unapproved drug that can result in a quantitative or qualitative change in the characteristic of the animal will be required to return all premium money and could be banned from further competition in the LeFlore County Junior Livestock Show. Their name and the lab analysis will be submitted to the USDA for further investigation and possible prosecution. Any animal receiving medication for any life threatening disease or illness must be registered at the time they are entered in the show.

11. Balancing the udder by any abnormal means including the use of a mechanical contrivance or the injection of fluid or drugs.
12. Setting the teats and/or occluding (sealing the ends) with a mechanical contrivance or with the use of a chemical preparation.
13. Treating or massaging the udder or its attachments with an irritant or counter-irritant. The use of common products such as fly spray, ointment or liniment in excess to the extent that is irritating is included as an irritant unless required to reduce the edema at time of calving.
14. Criticizing or interfering with the judge, other exhibitors or show officials while attending the Junior Livestock Show may result in an individual or group being expelled, placed on probation or declared ineligible at the LeFlore County Junior Livestock Show.
15. Any violation of the Rules and Regulations incorporated in the Show Ring Code of Ethics or any other rules set forth by the LeFlore County Fair Board for this event may result in forfeiture of all premiums and awards, disqualification, expulsion or other disciplinary action of the Fair Management will be final. Such action will require application for readmission under such terms as the Management may prescribe before the group or individual is allowed to exhibit in future events.

JUNIOR LIVESTOCK SHOW **General Rules & Regulations**

1. Any proposed changes, additions, deletions, or modifications to official rules must first be presented in written form to the fair board secretary complete with signature or signature of proponents. The secretary shall place the item on the agenda of the next regular meeting of the LCFB. Secretary shall mail a copy of the proposal, as received, along with the agenda to each board member prior to the meeting. Proposed item shall then be discussed and acted upon by the board. No changes, additions, deletions, or modifications of any rule will be brought to the board, or acted upon in any manor until they are in full compliance with this procedure. Barns will be closed at 11 PM.
2. All animals entered must be owned & fed by exhibitor 30 days prior to show. All animals must be exhibited by owner during show, unless extenuating circumstances exist: illness, double entry, etc. Violation will result in disqualification. Permission to substitute showman must be obtained from superintendents in advance.
3. The number of entries per individual will be unlimited.
4. All exhibitors must be living in LeFlore County or attending school grades Kindergarten -12 in LeFlore county or may show through first semester after graduation.
5. All Livestock must be seen by that exhibitor's Ag Teacher, 4H Leader, or Fair Board Member 60 days prior to show. All Entry forms must be filled out completely and signed by that exhibitor's Ag Teacher, 4-H Leader or Fair Board Member. Any forms not completed will be returned and entry will be considered void.

6. Superintendents will establish the classes in each division. Swine Superintendents will appoint a classifier that will classify at the time of check in. If a discrepancy is found in breed, color, or type, swine superintendents will make decision as to which breed hog will show in.
7. The judge's decision will be final on all placing. The judge may reserve the right to eliminate 1st place on classes of low quality animals.
8. Grand Champions will be chosen only from breed champions. Reserve Breed Champion to the Grand Champion will show for Reserve Grand Champion.
9. Exhibitors must not be on their schools ineligible list because of grades or any other discipline list. If an exhibitor is ineligible, his animal is also ineligible. LeFlore County Livestock Shows & Fairs may be considered as a qualifying show for the state for ADA purposes.
10. If a hog, lamb, or goat does not make weight, re-weighing will be done after the scales are re-balanced and before weighing another entry. This will be the only re-weigh. All animals not making weight must be taken home.
11. Low quality, inferior, or diseased animals will be subject to elimination from the show.
12. No exhibitor will be permitted to stay in the barns at night. Security will be provided by the LCFB.
13. Showmanship Divisions; Jr Division - 12 & under, Intermediate Division - 13-15, and Sr. Division - 16 & up. Exhibitors must show their own animal.
14. The sponsors will not be responsible for any loss or accident incurred during the show. Any exhibitor creating a disturbance, keeping poor care of animals, or breaking any rules, may be disqualified from show. Show areas should be kept clean and will be the responsibility of the exhibitors, parents, Ag Teachers & 4H Leaders.
15. Exhibitors are encouraged to groom their own animals. NO PAID GROOMERS.
16. Bred & Owned will show after each species. The Bred & Owned will be for all species. The animal must have been born on exhibitors or parents farm or the Dam must be owned by exhibitor at the time of birth of the show animal. Ag instructors, 4-H Leaders or LCFB Members must sign a statement to this effect. This includes offspring from a pregnant female born after purchase on exhibitors or parent's farm (does not include aunts, grandparents, etc.). **All Species must be entered in a recognized division in order to show in bred and owned.**
17. Registration papers must be in the exhibitor's name. A letter from the breed association will suffice if no papers are available due to unforeseen problems.
18. Once an animal is checked in all animals must remain on the premises. Showing out of trailers will be permitted for Hogs, Sheep and Goats. All cattle must remain IN the fenced area between cattle barns & exhibition building.
19. Identification rule for all species - All beef animals - commercial and registered - must have dried tattoo for identification. All sheep and goats must have an ear tag or tattoo for identification. All swine must have ear tag or ear notches for identification. Ear tags, tattoos and/or notches must match information sent in on nomination and entry form.
20. There must be 3 entries of any breed of any species to qualify for a breed. If less than 3, they will be recognized as a breed but competes in AOB (all other breeds).
21. There will be assigned areas in all barns. No setting up of pens without prior approval from Superintendents office.
